ELEMENT
ALCHEMY BUSINESS PARK

Liverpool2, less than ten miles from Element at Alchemy Business Park, is a £300m investment programme to expand and develop the Port of Liverpool's container offer. A development of the existing Seaforth terminal, when completed it will be the UK's most central deep-water container terminal, able to accommodate 95% of the world's container vessels and even handle two 13,500 TEU post-Panamax vessels simultaneously.

Knowsley is strategically located on the freight route between the Port and M57, M62, M56 and M6 motorway network.

Network Space is a developer, investor and manager of commercial property active across the North and Midlands of England. Established in 1981, it is a family owned and managed business based in Newton-le-Willows. In recent years the group has developed over 2.8 million sq ft of commercial floor space, much of which is retained in the investment portfolio and managed in-house.

Industrial property has always been the core focus of the business having been originally founded to purchase a former factory and convert it into an industrial estate. Over 35 years later, the group owns and manages an industrial / warehouse portfolio of over 3 million sq ft spread across 60 locations.
